## Education

**Xi'an Jiaotong University**, EngD in Control Engineering — Sept. 2026 – June 2031

- Supervised by Prof. Na Lu.

**Xidian University**, B.E. in Cyberspace Security (Elite Class) — Sept. 2022 – June 2026

- GPA: 3.8/4.0.

## Publications

*Note: * Equal contribution.*

1. **Xinyang Liao**, Lingyu Li, Kaicheng Shen, Yang Yao, Na Lu, Yan Teng, Xia Hu. "*CompanionSafe: From Multi-turn Safety Evaluation to Guardrails for AI Companions*" (arXiv preprint, 2026).

- Introduces CompanionEval, a persona-driven multi-turn safety benchmark with 1,300 cases across 13 categories, and CompanionGuard, trained on turn-localized safe/unsafe prefixes to identify companion-specific risks.

2. **Xinyang Liao***, Lingyu Li*, Huacan Liu*, Tianle Gu, Yang Yao, Tong Zhu, Yan Teng, Yingchun Wang. "*PseudoBench: Measuring How Agentic Auto-Research Fuels Pseudoscience*" (arXiv preprint, 2026).

- Presents a benchmark of 200 claim–evidence pairs in five categories to assess agentic auto-research systems. Evaluates generated reports for report quality, pseudoscience alignment, and persuasiveness.

## Internship

**Shanghai AI Lab**, Safe and Trustworthy Center, Research Intern. Supervised by Dr. Yan Teng.
